MEMORANDUM FOR THE RECORD

FROM:

Deputy to the DCI for Resource Management

SUBJECT: Conversation with Frank Carlucci, 21 January, re Timing
of Budget Amendment

1. I spoke with Frank Carlucci briefly to make sure I understood the timing of the budget supplemental for FY 1981 and the budget amendment for FY 1982 as they are viewed from Defense. For the FY 81 supplemental, DoD is trying to avoid authorization items. They expect to make their decisions on it by the end of next week, that is, by the 30th of January. For the budget amendment, they hope to make final decisions for DoD on the 2nd of February. In both cases the decisions will then be forwarded to OMB and the President.

2. Frank indicated that they would be more than happy to entertain intelligence requests in both of these.
